

# Sacred Dance of Tarot

## Exploring the Archetypes

The Major Arcana contains within it many well known archetypes which represent aspects of ourselves and the different stages of our journey through life.

Tarot counsellor & Dancer Galit Mersand and Art & dance Therapist Lillie Naor bring you this magical workshop, using the sacred practice of the arts and movement to tap into one or more of the archetypes currently relevant to you.

This workshop aims at deepening your understanding of the unconscious elements which are at work in your own life. A knowledge which will empower you to create conscious desirable changes.

If you enjoy archetypes, tarot, multi-sensory learning, and imagery, you will love this workshop!!!

Please note: This workshop is not about divination or predicting the future
